Since 1925, The American Legion has sponsored a nationwide youth baseball program. During these past eight decades, millions of young players have enjoyed playing baseball. The American Legion and their 2.8 million members have raised millions of dollars each year for players to learn the importance of teamwork, discipline, leadership and good sportsmanship. American Legion Baseball gives players an opportunity to develop their skills, personal fitness, and leadership qualities and to have fun.

Your local American Legion Team is the **Chief Pontiac Baseball Club**. Chief Pontiac consists of the best ballplayers in the area. As you can imagine running this type of program costs a significant amount of money. Here is a great opportunity for our community businesses, organizations and individuals to be recognized as a sponsor of American Legion baseball the only true national baseball organization.

Please help out your local team by purchasing one of our outfield signs or by making a donation of any size. We really appreciate all contributions regardless of size. The 2018 season is just around the corner and our players are preparing for another great season of baseball at Chief Pontiac.
